Ranking is based on objective data only; ranks cannot be compared with last year's, because last year the methodology was different; only B-schools that submitted their objective data have been ranked; institutes like IIM-Lucknow, ISB Hyderabad, etc., which did not submit their objective data on time or refused to participate, have not been ranked; only colleges that fulfilled these criteria were considered eligible for participation: (i) Minimum three batches passed out (ii) Offering full-time Post Graduate Programme in Management; all scores have been rounded off to one decimal place, this may result in rounding off errors while adding the parameter-wise score
